screens

A mobile application interface for signing up. The screen has a blue header with a hamburger menu icon, the word "Welcome", a search icon, and a three-dot menu icon. Below the header, there are two tabs: "SIGN UP" (active) and "SIGN IN". The main content area is light gray and contains five white input fields with placeholder text: "Fullname", "Year", "Email", "Password", and "Confirm Password". Below these fields is a blue rounded button labeled "Sign Up". Under the button, it says "or sign in using:" followed by icons for Google, Facebook, and Twitter. At the bottom, a line of text states: "By clicking Create An Account, you agree to our **Terms of Services**." The screen is framed by a black border representing a smartphone, with a status bar at the top showing signal, battery, and time (12:38), and an Android navigation bar at the bottom.
